

Sewanee Community Funding Project Request 2018-2019

What need or opportunity for improvement do you see in Sewanee? The Sewanee Community Funding Project Committee, in conjunction with the Sewanee Community Council, is again seeking proposals for physical improvements and amenities on the Domain. When completed, these improvements should enhance the community and improve the quality of life of residents and possibly visitors as well. We welcome projects both big and small from individuals as well as organizations. The total funding available is \$20,000 – but feel free to dream big. To apply, please complete items 1-5; complete items 5-7 if the scope of the project allows. Applications can be emailed to sewaneeconfproject@gmail.com or mailed to Pixie Dozier at 133 Carriage Lane, Sewanee, TN 37375 by April 1, 2018. We look forward to your good ideas!

1. Name, mailing address, phone number, and email address of the individual, contact person of an organization (and name of the organization, please), or head of a group gathered for this purpose. If this is a group organized for this purpose, please list all members of the group.

2. Concise (100 words or so) explanation of the project idea, including implementation location.

3. List of steps required to successfully complete this project.

4. How will this project benefit Sewanee and its residents? What need does it fill?

5. What amount are you requesting for this project? Please attach or include any documentation of the cost of materials, and estimate of work, etc. (Please contact us for projects that would require University involvement with contractors, etc.)

6. What is the projected timeline for this project?

7. Who will be doing the work? Who is accountable for seeing that it is completed, if different than #1?

8. If you'd like to explain your project in further detail, please do so – help us to see your vision!
